

Douglas College Learning Resources

Information Technology Plan 2018/19 – 2019/20

Introduction

Douglas College Mission Statement

At Douglas College, we commit to enhancing the skills, knowledge, and values of life-long learners in meeting their goals.

At Douglas College, we respond to diverse community needs in a rapidly changing society.

Douglas College Values

These guiding principles shape the Douglas College learning community and govern our decision-making.

We believe:

- that students are our primary focus
- in fostering a dynamic, accessible and supportive teaching and learning environment that prizes excellence and innovation, we value creative and critical thinking and the will to challenge and be challenged
- in honouring the contribution and worth of all individuals, we welcome diversity with its rich complexity and believe that all voices need to be heard
- that it is our duty to be thoughtful and caring stewards of the personal, physical and fiscal resources entrusted to us. We practice social, environmental and community responsibility
- that intellectual growth and exploration inspire well-rounded, responsible and contributing citizens. We invite everyone into the excitement and curiosity of learning
- in the power of dreams and in the power of education to make them come true.

Learning Resources (LR) Mission Statements

The mission of Learning Resources is to serve the Douglas College community by:

- providing user-centred library and archival services, spaces, collections, technology, and expertise;
- partnering with faculty, staff and students to advance their teaching, learning, and research needs;
- delivering coordinated instructional programs to develop students' information and digital literacy skills;
- participating in local, provincial and national collaborative efforts that leverage our resources to enhance our services and collections;
- managing, archiving and preserving the College's current and historical records and cultural assets; and
- ensuring the College's compliance with the Freedom of Information and Protection of Privacy Act.

LR Technology Mission/Vision Statements

Mission Statement

- To support the Learning Resources missions, providing an innovative, reliable, efficient, effective information technology learning environment
- To provide professional, courteous and helpful support for students, faculty, staff and community patrons in their use of Learning Resources information technology tools
- To undertake collaborative efforts in the exploration of new technologies and their beneficial applications to the services Learning Resources provides to Douglas College
- To extend Learning Resources services beyond the confines of its physical location

Vision Statement

Learning Resources integrates technologies that provide a dynamic research and learning environment to improve our support of the learning and educational needs of our diverse College community.
